In a modern boutique block, this distinctive two-level Home is ideal for city professionals and blue-chip investors with its versatile design, long list of features and prized location walking distance to hospital and university precincts. Complemented by a secure entry foyer, the apartment's chic interior comprises two upstairs bedrooms (both with robes and access to balcony) and stylish central bathroom. Downstairs: well-appointed kitchen with Bosch cooking appliances and dishwasher, light-filled open living/dining area with double doors out to a full-width north-facing terrace. Other highlights include split-system heating and cooling, quality carpets and polished timber floors, European laundry, big under-stair storeroom, lift access to secure lower-level parking space. Perfectly positioned, it's
