

71A Price Street Essendon VIC

3 2 2

Beyond a clean contemporary façade this sunlit and stylish three-bedroom residence reveals itself to be so much more than you first imagined. Thoughtful modern design creates a poised and practical family environment, with high ceilings and lustrous polished floorboards combining elegantly. A bright front lounge complements the huge family, dining and kitchen which overlooks and accesses a neatly landscaped rear garden. A 900mm Blanco stove, matching rangehood, dishwasher, sleek stone surfaces and abundant cabinets grace the kitchen, which is equipped to please discerning cooks. Upstairs is a well-proportioned central retreat separating the master bedroom, with walk-in robe and fully tiled ensuite, from two large front bedrooms with mirrored built-in robes, sparkling city views and shared access to a balcony with a similarly eye-catching outlook. A second fully tiled bathroom, powder room, laundry, rainwater tank and plenty of storage space continue the
