From the old Bulla factory, comes MILQ Apartments. The subtle colour palette draws upon simple materials, alluring textures and classic colour fusions to create unique apartment interiors, specially conceived to reflect the individuality of MILQs discerning residents.

To complement the quality finishes, European kitchens provide inspiration through crafted stone benchtops, quality appliances, ample storage and fully-tiled bathrooms which share the kitchens modern textural elements. Timbered textures and mineral tones afford a warmth of character from the flooring underfoot to the light fittings above.

North Melbourne epitomises the very essence of the perfect inner-city village. For shopping, travel, work or play, MILQ puts you at the heart of Melbourne life. So close to the CBD, Melb University, RMIT, Royal Melb hospital, Queen Vic market, and the vibrant shops and cafes of Errol Street
