28 Curzon Street is a spectacular inner-city community in which the concepts and creativity which are the hallmark of designs by Six Degrees Architects are given free reign. The result, recognised for its excellence by a Master Builders Association of Victoria award, provides a divine context for contemporary life complemented by this outstanding apartment. Western sunshine fills a superbly spacious living and dining area that opens to a balcony where the panoramic aspect acknowledges the abundance of light. A SMEG-equipped kitchen emphasises everyday luxury through its Carrara marble surfaces and soft-closing cabinetry. All three bedroom are served in signature style and comfort by mirrored robes in combination with a sublime family bathroom featuring frameless glass rain shower and a freestanding bath of highly desirable depth. Soaring exposed concrete ceilings, rustic feature brick and reclaimed timber floors flowing underfoot are the results of
