

6/24 Craig Street Keilor East VIC

3 2 2

Situated in a quiet cul-de-sac, this unique property ticks all the boxes for low maintenance executive style living. Walk inside into this split-level home that is private from all angles, all while oozing with style and architectural design. The north facing property is spoilt with warm natural lighting throughout, private lock up double garage with under stair storage, split system heating and cooling. The entertainers space has a fully equipped kitchen with island bench, Smeg stainless appliances, gorgeous waterfall 600mm stone bench, and expansive views overlooking the dining area and calming outdoor garden. The exterior is a 2-part oasis that wraps around the property, and there you will find a well-established garden, automatic sprinkler system and lighting throughout. Back inside there's a step-up lounge area that simultaneously peeks into the kitchen area, all while being spoilt with views of the gardens. Another highlight of the property is the huge master
