These exclusive 2-bedroom residences command street presence with an engaging cantilevered façade. Clean lines work in harmony with robust materials including vibrant red brick with sleek dark accents and tactile concrete.

Cooper Essendon features sophisticated interior spaces where function meets form. The floorplans have been designed to provide expansive, highly liveable areas to suit today's lifestyle. Living and dining areas extend out to luscious north facing outdoor spaces, amplifying the sense of openness and tranquillity whilst offering a unique zone for living, relaxing and entertaining. A refined palette of
