

5/20 Mark Street North Melbourne VIC

4 3 1

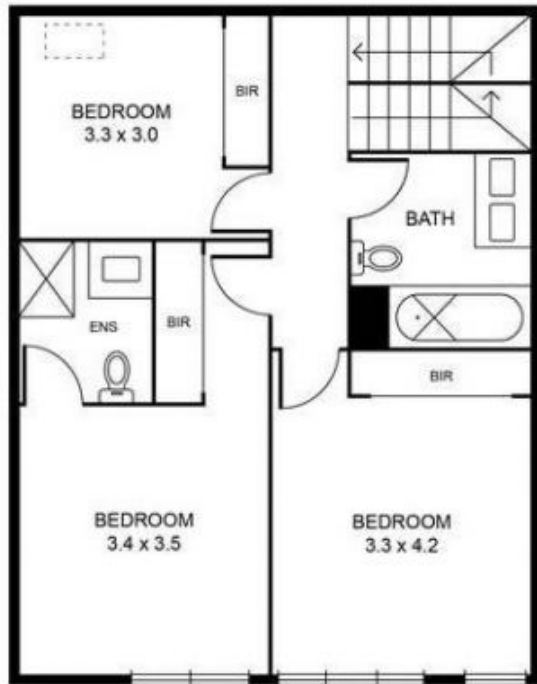

With its versatile tri-level design, quality features throughout and impeccable presentation from start to finish, this modern townhouse delivers a lifestyle of low-maintenance perfection in a family-focused North Melbourne location. Amid secure surrounds and set well back from the street, the home's ready-to-enjoy interior comprises four bedrooms (larger master) all with built-in robes, together with a private ensuite, two additional bathrooms and guest powder room (fourth WC). Showcasing impressively high ceilings and an abundance of natural light, the spacious and versatile open-plan living/dining area is further enhanced by a well-appointed kitchen with island breakfast bar, ample cupboard space, Bosch dishwasher and Blanco cooking appliances. Other highlights of this remarkable townhouse include a large private terrace (from the living area) ideal for relaxing or entertaining, as well as split-system heating/cooling,
